

Woman's Club of Arroyo Grande

2018/19 Woman's Club of Arroyo Grande Visual Arts College Scholarship

This year, the Woman's Club of Arroyo Grande will offer a \$1,000 scholarship to each of two graduating seniors who plan to make visual art a significant part of their studies beyond high school. Visual Arts can encompass a wide range of mediums (painting, photography, ceramics, 3-D forms, sculpture, drawing, fashion design, woodworking, interior design, animation, etc.). If your college major is not in an area normally designated as "art or art-related," but you plan to make fine art a significant part of your life or studies, this should be reflected in your Personal Statement. For example, if you are an Agriculture major but plan to pursue landscape design, indicate how art will play a significant role. Or, if art is your "minor," indicate the area you will emphasize. Please follow the guidelines below in completing your application.
